Hi Scott,

Here's the latest version of the draft general conformity briefing materials. The attached 2/17/15 version contains all of the edits from you and Sara. I have also enclosed Sara's last edits, dated 1/8/15, for just pages 3 and 5 which address including more info on permitting issues, but have not included those. We are already at 5 pages.

See what you think and we can discuss when I am back on Thursday (and you too?)

Thanks!

Tim
